### **Announcement about portfolio restructuring**

The Bruno Bock group completed a strategic review of its product portfolio and the targeted industries and applications. As a result, the groups offerings for the markets and customers served will be gradually transitioned into the following structure:

<b>Industry</b>	<b>Application</b>	<b>Trademark</b>
Personal & Home Care	Cosmetic	Thiocare® H
	Cleaner	Thiocare® C
Chemical	Coatings, Adhesives, Sealants	Thiocure®
	Polymer	Evabopol®
	Plastic	Evanstab®
	Leather, Oil&Gas, Rubber etc	Evabochem®
New Technology	Emerging Technologies	Evabotec®

Furthermore, the Bruno Bock group has decided to discontinue all technical development and marketing activities targeting the casted ophthalmic lens industry and will no longer provide specialty materials of the Thiocure® or Mercavis® trademarks to this industry.
